Phenomenal Member Diligence With Submissions

- No out-of-category Pictorial submissions – Hurrah!
- Only one submission resized as a courtesy – Excellent!
- No errors or warnings with processing of submissions (randomizing and anonymizing) – simply worked on the first go – Amazing!

Reminder of General Rules for All Competitions

- No identifying information can be included in the image submission (#5)
- Images previously submitted to a monthly category competition (e.g., Pictorial) can never be resubmitted to that same monthly category ever again (#11)
