David Nicholls Memorial Award

Top Year-End Landscape Nature Image

The David Nicholls plaque reflects David's own interest in the natural landscape. A reproduction of one of his own photos – "a dramatic ancient tree against an ancient seashore" – is laser-etched onto the trophy. Throughout his membership in the TCC David served as president (1986-88), chairman of the nature division and Sunday night programs. He was also one of the founders of the GTCCC. Commencing in 2012 it is awarded for a "nature" landscape image.

Christopher Siou Trophy

Top Year-End Landscape Authentic Wildlife Nature Image

The Christopher Siou Trophy was established by the Board of Directors in 2014 to commemorate the occasion upon which Christopher Siou became the member of the Club who had the most lifetime winning images in the history of the Club. Although Christopher's interests and talents encompassed all aspects of Club competitions, his special interest was nature images and he chaired the Club's Nature Images competitions for many years. Accordingly, the Directors chose this particular interest to honour this lifetime achievement of Christopher's.

McGregor Nature Trophy

Top Monthly Nature Image

This trophy was donated in 1956 by active club members Harry and Kay McGregor to promote Nature photography which was in its infancy at the time. Their home was always open to judging sessions and workshop activities. Harry died in 1964. Kay was a superior Nature photographer, achieving an A.R.P.S. in 1966. She was a judge, chaired the Nature competitions for many years, and gave workshops and lectures. Her work was published in nature magazines and calendars.
