Frank Pogue Trophy

For TCC Beginner showing most progress in all forms of photography during club year

Frank Pogue joined the club in 1942 and was an active member serving as director, member of the board and program director. He was salon director for 16 years. He donated the trophy to the club in 1952 to encourage and reward those beginners who competed. When he died in 1964, the club had the trophy re-inscribed and named it after him. Over the years the trophy description was expanded to include **“outstanding interest and participation in club activities.”**
