COMPETITION ISSUES

- Images need to be properly secured to mat board.
- All prints need to have the name tag included in confirmation email attached to the back of the print.
- Many images were delivered with plastic slip covers that were removed while sorting for competition. All slip covers and packaging used for protecting prints are in the print box.
- Once the competition is finished we'd like to put all the prints in the wall holders for 2 weeks. Unfortunately we won't be able hang prints mounted on foam board.
