COMPETITION ISSUES

- *Print box is 24X24, more than large enough to hold 16X20 prints, however some packaging was too large for the box*
 - *Submissions including packaging must fit in the box*
- *Maximum size of prints including the mat is 16X20*
 - *3 Prints disqualified because they were 18X21*
- *All prints must have a Printed copy of the name from the confirmation email attached to the back of the print*
 - *No substitutions please*
- *Many images were delivered with plastic slip covers that were removed while sorting for competition. All slip covers and packaging used for protecting prints are in the print box.*
- *Once the competition is finished we'd like to put all the prints in the wall holders for at least one week. Unfortunately we won't be able hang prints mounted on foam board.*
