TCC News

Join us for our next Summertime Zoom meeting on Wednesday July 22! This meeting is open to both members and non-members. The theme for this meeting is Architecture/Buildings. The themes for all the summer's Zoom meetings can be found [here](#).

You can now renew your club membership for the new season!

Members, have you completed the survey for the Assigned Topics competitions? This is your chance to select which topics will make the list starting this September!

We would like to welcome our newest members:

Vote for Your Favourite Assigned Topics for the

2026-27 Season

Hello club members!

The votes keep coming in - I got 65 votes so far, and the results are quite interesting...

Thanks for voting, and for those who didn't, here's another chance to have a say in the next season's topics.

The proposed topics survey is [here](#).

I'll leave the survey open for two more weeks, and we're done.

Donated Cameras Sale

Donated Treasures

EXPLORING THE REMARKABLE CAMERAS AND LENSES FROM THE TORONTO CAMERA CLUB COLLECTION

Sony α7 (24.3MP)

with Sony Carl Zeiss 24–70mm F4 & 70–300mm F4.5–5.6 G OSS & Charger

PRICE:

\$1,800 CLUB MEMBERS

\$2,400 PUBLIC PRICE

The Sony α7 is Sony's flagship mirrorless camera, able to capture 24.3 megapixels. It's designed for beginners and more experienced photographers with settings that go from fully automatic to fully manual. It is lightweight and carefully designed for travel and street photography.

The Sony Carl Zeiss 24–70mm F4 is a compact, medium speed normal zoom for Sony's E-mount NEX and A7 series camera. It's a combination of metal and plastic construction so it's robust and still lightweight.

The range is perfect for travel and street photography and tack sharp in the centre.

The Sony 70–300mm lens completes the kit with a full range of focal lengths.

Includes charger and all items shown.

Available from the Toronto Camera Club Donated Treasures program.
usedgear@torontocameraclub.com

DID YOU KNOW?

The Sony α7 was one of the first full-frame mirrorless cameras to make professional image quality more accessible while keeping a compact, lightweight body. Its combination of high resolution and versatility still makes it a favourite among photographers today.

Meet Our Inaugural

Rising Photographer Award Recipient

Meet Our Inaugural

RISING PHOTOGRAPHER AWARD RECIPIENT

Naoki Mejia Saito

Award established in 2025 • First presented June 25, 2026

Hi there, my name is Naoki Mejia Saito! I'm so excited and grateful for this great opportunity to join the Toronto Camera Club.

A little bit about me: I am 18 years old and I have just graduated from Rosedale Heights School of the Arts with a focus in Theatre Production, Music, and of course, Photography.

Next year, I will be attending Toronto Metropolitan University for their Image Arts Photography Program.

My main passion with photography is working with analog processes. I love to shoot film and I used to spend way too much time working in my high school's darkroom, and I can't wait to try the Toronto Camera Club's darkroom.

I cannot wait to connect with you and thank you again for all of the support and this opportunity.

– Naoki Mejia Saito

The Toronto Camera Club is proud to support emerging photographers and celebrate the next generation of creative vision.

Upcoming Events

[Click above to see the upcoming events.](#)

Most meetings will be held as hybrid meetings - that is, in person at the Club and as well as on Zoom.

Please check the website before heading out to the club in case of last minute changes.

If you want to add articles to future newsletters please send them to News@TorontoCameraClub.com.

If you have any concerns about the club, please feel free to approach any board member either in person or through email (MOF@TorontoCameraClub.com). Written concerns can also be put into the secretary's mailslot.
