Summertime Zoom Meeting - №4

Summertime Zoom Meeting

Wed. Aug. 5th, 7:30pm-9:30pm

Last Wednesday's meeting was terrific – we had many wonderful images under the theme of Architecture (what a range we saw), and enough fantastic monochrome images for a gallery show!

I've attached a few to show you what you missed! 34 people attended (from the west coast to Montreal, including folks from other camera clubs) and there were many conversations/discussions sparked by the great images. Thanks everyone for making it a really fun night.

The next Meeting Theme is **Macro/Abstract** Images. This gives everyone a chance to show us their favourite images in either theme or to challenge themselves to take an image in one or the other theme outside of their regular comfort zone.

I'm really looking forward to the range we'll see in the next Meeting.

As always, remember – it's an open meeting; anyone can join us and enjoy an entertaining evening. Plus, as usual, I have a surprise to give all attendees at the end of the meeting. So, don't hesitate, invite your friends to join in.

1. Everyone is invited to submit **up to 3** images for the evening, but the files must be named as follows: "Title by Maker". For example: "Harbourfront by Gareth Jones".

2. Images should be sized as follows: no more than 1400pixels horizontal and/or 1050 pixels vertical, and be less than 2MB in size.

3. **Images should be sent to, Gareth.Jones@TorontoCameraClub.com no later than end of the day, Monday, before the scheduled Meeting date.**

Join us whenever you can. If you don't already have Zoom, you can download for free, [here](#).

If you already have Zoom, click [here](#) for the Zoom link.

See you August 5th!

Cheers, Gareth
